

20's Plenty

For Our Village

***Join us on Histon Green
at 3.30pm this Monday
20th October 2008***

Traffic in Cambridgeshire has grown by 30% in 10 years. With huge new developments planned, this figure is set to rise even faster. If you want your children and grandchildren to be safe on our streets, we need to act now!

Hit by a car at 40 mph, 90% will be killed

Hit by a car at 30 mph, 20% will be killed

Hit by a car at 20 mph, only 2.5% will be killed

20mph for Histon & Impington

30mph for the B1049
