Agree that we'd like to progress the following plan

- Hold a meeting with all interested parties, including PC members, Andrea, community members already doing some of this stuff (churches, schools), others(?) (to be decided who)
- Plan the actions and activities that will be needed in order to make this a reality
- Secure premises for a minimum of a year (Suggestion of not school, rec ground room. Maybe British Legion, Histon FC. Needs to be cheap, not school, regular and cool (or at least not uncool)).
- Poll the youth for ideas on what the YC should support, which might include but not be limited to:
 - Recreation and games/ activities
 - Family advice
 - Health advice
 - Physical
 - Mental
 - Sexual
