17/071 071.1	<p>OTHER MATTERS</p> <p><u>Committee Restructure Task & Finish</u> to agree to disband and find alternative ways of working. In November 2016 a Task & Finish group was created to discuss the Committee restructure proposal presented by Cllr Jenkins. The T&F group met in February and it was clear from the debate and discussions that the proposal as presented lack justification, explanation and ultimately the support needed to implement the changes. Since the T&F group first met, focus and progression has been limited as other projects have taken greater priority. With this it was clear the forum was unsustainable in its current form. In detailed discussion with the Clerk and Vice Chair it has become clearer that operational changes rather than structure changes may in the near future be more beneficial in making Council more efficient and effective. These changes to be led by the Clerk and office staff. Proposed Cllr Butcher, seconded Cllr Payne, all in favour and AGREED</p>
