

Launch of consultation for proposed new homes and Community Park at Milton Road, Impington

Flagship Homes is launching a public consultation ahead of submitting an outline planning application for a development on land off Milton Road, to the east of Impington.

The proposals are for 50 new homes, 25 of which would be affordable, and a 4.8ha Community Park for residents of Histon and Impington that will deliver a variety of recreational facilities and new habitat creation.

A previous application was submitted on the same site and withdrawn in August 2019. Since then, Flagship has worked with the Parish Council to prepare a more viable scheme which

reflects the countryside setting and provides a range of benefits for local residents.

In preparing our application we would welcome your feedback on the proposals. You can tell us what you think by going to our consultation website to complete a survey by 22 November or by visiting our public exhibition, details of which can be found on the other side of the flyer.

If you are unable to access the website and would like printed copies of the consultation material, please get it touch using the contact details overleaf.

Take part in one of our consultation events

As part of our consultation, we will be hosting a webinar and an in-person drop-in session. At both of these events, members of the project team will be on hand to answer any questions, present the proposals and hear from you directly.

Webinar

We will be hosting a webinar on **Monday 8 November from 6pm – 7pm**. This will feature a presentation from the project team followed by a Q&A session. Please sign up using the QR code on the right or by visiting the project website at www.miltonroadimpington.com. A webinar recording will be available to view on the website within 24 hours.
